

Dear all,

as you all may know from our previous correspondence, there will be another RoSta expert meeting in Leuven, Belgium on 19-20th of November.

It will be continuation of the topics/discussions which were on at the IROS 2007 workshop on evaluation of architectures.

This is primarily an intermediate working meeting for EU participants (with results that will be available to all)

The agenda of the meeting is as follows:

10.00-11.00 Arrival with coffee and informal discussions 11.00-12.30 presentation and definition of the topics for the meeting

12.30-13.15 Lunch

13.15-13.30 Adjustments of the agenda.

13.30-14.30 Middleware in more detail

14.30-15.30 Architectures in more detail 15.30-16.00 Coffee

16.00-16.45 Definitions and ontology, and relation to architecture.

16.45-17.30 Benchmarking, w.r.t. architectures and middleware.

evening dinner

08.30-09.00 Next steps and agenda of the day.

09.00-14.00 Review of open issues and next actions, t.b.d.

14.00-15.00 Closing and final (even less) informal discussions.

The meeting site is Novotel Hotel near the train station

<http://www.leuven.be/showpage.asp?iPageID=1425>

Please mail asap to inform us about your participation, and we can confirm that your travel/lodging expenses are covered by RoSta (as intended but not guaranteed for any number of participants).

Looking forward to seeing you there.

Sincerely yours,

RoSta team.
